### Personal information

First name(s) / Surname(s) **Pierfrancesco Veroux**  
Address(es) Via San Giuseppe 8, CAP 95017, Piedimonte Etneo (CT), Italy  
Telephone(s) 095 - 3782306 Mobile: 347-6601160  
Fax(es) 095 - 3782948  
E-mail pveroux@unict.it  
Nationality Italian  
Date of birth 1961-07-14  
Gender Male

### Work experience

Dates	<b>From 2007 to Now</b>
Occupation or position held	Director
Main activities and responsibilities	Qualification of Director in Training School of Vascular Surgery
Name and address of employer	University Hospital of Catania, Italy
Type of business or sector	Vascular Surgery
Dates	<b>From 2006 to Now</b>
Occupation or position held	Full Professor
Main activities and responsibilities	Full Professor of Vascular Surgery
Name and address of employer	University of Catania, Italy
Type of business or sector	Vascular Surgery
Dates	<b>From 2004 to Now</b>
Occupation or position held	Director
Main activities and responsibilities	Director of Vascular Surgery and Organ Transplant Unit
Name and address of employer	University Hospital of Catania, Italy
Type of business or sector	Vascular Surgery and Organ Transplantation
Dates	<b>From 2006 - 2012</b>
Occupation or position held	Deputy Coordinator
Main activities and responsibilities	Deputy Regional Coordinator for Organ Transplantation
Name and address of employer	University Hospital of Catania, Italy
Type of business or sector	Organ Transplantation
Dates	<b>From 2001 to 2006</b>
Occupation or position held	Associated Professor
Main activities and responsibilities	Associated Professor in General Surgery
Name and address of employer	University Hospital Sacro-Cuore –Gemelli, Rome Italy
Type of business or sector	General Surgery

## Education and Training

Dates  
 Title of qualification awarded  
 Name and type of organisation providing education and training  
 Level in national or international

**From 2001 to 2002**

He has attended at the “Klinische Abteilung für Transplantations Chirurgie, Universitätsklinik für Chirurgie Innsbruck”, headed by prof Raimond Margreiter  
 He has participated in numerous surgical intervention concerning combined kidney-pancreas transplantation, kidney transplantation from living donors.

Dates  
 Title of qualification awarded  
 Name and type of organisation providing education and training  
 Level in national or international

**From 1990 to 1992**

Resident Etranger  
 He has attended at the “Service de Chirurgie Vasculaire de l’Hospital S. Joseph de Paris, headed by Prof. Jean Michel Cormier  
 He has participated in numerous surgical intervention (800) of endovascular and vascular surgery

Dates  
 Title of qualification awarded  
 Level in national or international  
 Principal subjects

**From 1991 to 1996**

Specialization  
 Specialist in Vascular Surgery  
 Title of Thesis: Bailout Endovascular Techniques in Peripheral Artery Disease

Dates  
 Title of qualification awarded  
 Level in national or international  
 Principal subjects

**From 1986 to 1991**

Specialization  
 Specialist in General Surgery  
 Title of Thesis: Abdominal Aortic Aneurysm Rupture. Treatment and Complication after intervention

Dates  
 Title of qualification awarded  
 Level in national or international

**From 1980 to 1986**

Degree in Medicine and Surgery (MD)  
 Doctor in Medicine and Surgery (110/110 cum Laude)

## Personal skills and competences

Mother tongue(s)

**Italian**

Other language(s)

Self-assessment

European level (\*)

C1	C1	C1	C1	C1

(\*) [Common European Framework of Reference for Languages](#)

Social skills and competences

Working relationship and communication related to the roles: Director of Complex Clinical Unit, Director of Training School of Vascular Surgery,

Organisational skills and competences

Coordination and administration of people, projects, healthcare management and budget related to the roles: Director of Complex Clinical Unit, Director in Training School of Vascular Surgery

Driving licence

B  
Nautical

## Additional information

### From 2008 to Now

Referent for the internationalization of the Sicilian Medicine, University Hospital of Catania, Italy

### From 2004 to Now

Member of the "Executive Council of the Inter-University Consortium for organ Transplantation, University Hospital of Catania, Italy

### From 2010 to 2015

Promoter and Coordinator of the PhD in " Multidisciplinary Research in Advanced Organ Transplantation" University Hospital of Catania, Italy

### 2014

Principal Investigator of the winning project in the context of the FIR in research

### From 2004 to 2014

Coordinator of the PhD in " Experimental Methods Research and Technological Application in Surgery", University Hospital of Catania, Italy. He has also been President of the Association of Transplanted "Centro Study Thalassa NPO"

### From 2013 to 2014

Principal Investigator of an experimental study in the pig model named "Petal Trial". The study was designed in order to evaluate prospectively the safety profile, the efficiency and the response of the venous endothelial wall of an innovative device, designed for the endoluminal treatment of abnormalities of the jugular vein. The first acute case was performed in 2013 at the Veterinary Institute of the University of Bologna. The chronic study with a follow-up to six months was instead performed from November 2013 to May 2014 at the Polo Veterinarian of Lodi University of Milan

### From 2010 to 2013

Member of the Executive Board of the Italian Society of Vascular and Endovascular Surgery

### From 2011 to 2012

Principal Investigator of work "development of a new endovascular device for the treatment of the large veins", winner in the Industrial co-financed section /Bioengineering Sciences and Technologies of Minister of Health

### 1999

Approved to perform kidney transplant from cadaveric and living donor and combined kidney-pancreas transplant

### Visiting Professor

- External examiner for Higher degrees, University of Bradford – United Kingdom, 2014
- Mayo Clinic, Ronchester, USA, 2013

### Member of the following National Societies

- Italian Society of Vascular and Endovascular Surgery (SICVE)
- International Society of Neurovascular Disease (ISNVD)

Promoter of the Spin-off Universitario "Petal" that has as its goal the research, testing and development of innovative devices for the treatment of diseases of the veins

Inventor and proprietor of a biomedical device designed for the treatment of the veins. The device is protected by national patents and international PCT extension

He has participated as a co-investigator in many national and international clinical trials in the field of Organ Transplantation and Vascular Surgery

Co-author of a book on the renal transplant: Challenge the future

He has written numerous book chapters in Italian and English

The scientific production consists of over 130 works reviewed in PUBMED about the Organ Transplantation, Vascular Surgery and General

He plays as referee for several international journals

Since 1999 he has activated and implemented the following programs: Transplantation of living donor kidney transplantation combined kidney-pancreas transplant kidney, kidney transplantation from donor to calculated risk and marginal. Since 1999 he has performed more than 600 transplants. The operative case studies concerning vascular and general surgery consists of over 15,000 procedures. In recent years he has dedicated to the endovascular treatment of disease of the arteries using minimally invasive techniques, performing about 800 operations per year
